# Dominators 2019

---

## Season recap

We WON our very first NECA game!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

---

## Season recap

We gave our best on the field -- batting, bowling, fielding ...

Yes umpiring is a real job & everyone will get to do it!

---

# Season recap

We gave our best against all odds ...

SHUTTY AND WAS "L.L.N."

---

# Season recap

We gave our best trying to be a better version of ourselves!

## Season recap

We stayed calm ... extremely calm

... when catches were dropped

... because life is fair & we got to drop one soon enough

---

## Season recap

Regardless of the dropped catches, missed stumpings, ending up on the wrong end of run outs, getting coached by “everyone” after each no-ball was bowled, or coaching other bowlers after they were hit for a six and “healthy” arguments on & off the field we played as one team

... and always had each others back!

Fun before game!

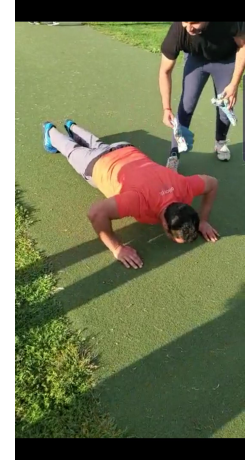

Season recap

.. and finally

Fun in Miami!

Fun punishing  
serial offenders  
of holding lapses!

we played **fair**, we played **hard** & we had lot of **fun**!

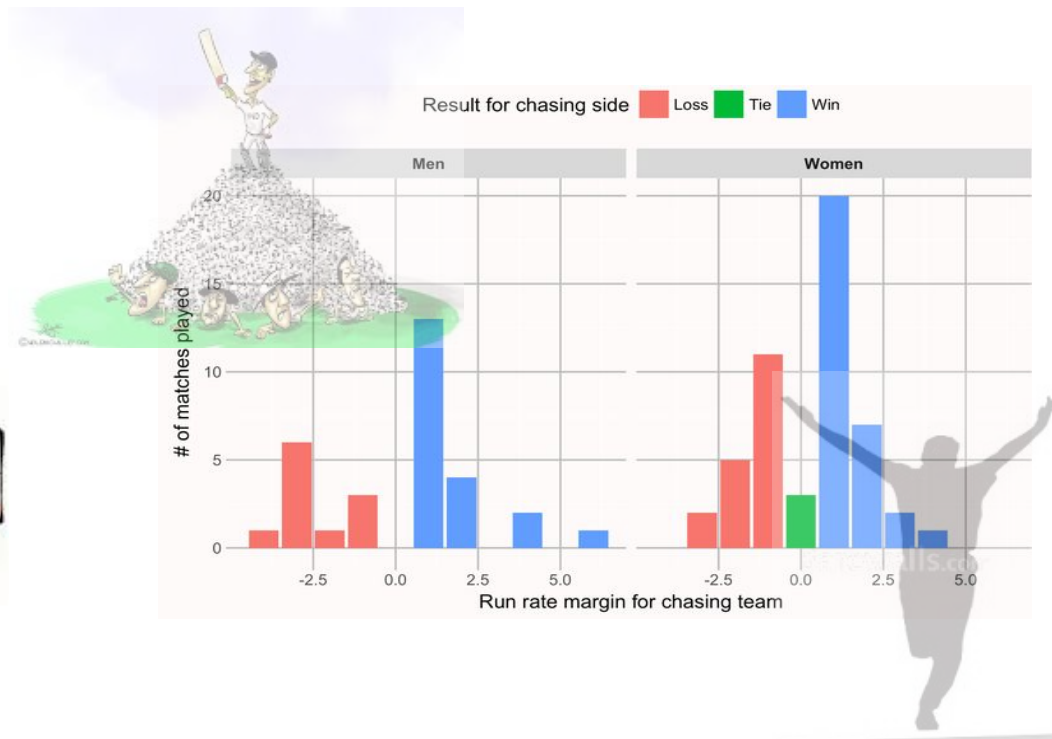

Fun meeting  
celebrities!

Fun after game!
